### **Attacker Impact**

The Pulse + provides a nervous system override capable of disabling your attacker for up to 30 seconds.

### **Safety Distance**

The Pulse + offers an optimal 15-foot shooting distance, ideal for most defensive situations.

### **How It Works**

The Pulse + comes with laser assisted targeting and is capable of providing a total nervous system override.

### **Safe Escape Guarantee**

If you use your Pulse+ in a self-defense situation, we'll replace it free of charge.
