

Committees Now Forming for 2012

Do you want to be involved in the decisions that affect your business and livelihood?
Would you like to participate in planning activities? Then join a BNAR committee.

Select the area where you have interest in participation. Each committee/task force/project has a planned set of objectives to work toward and can be found in the BNAR Strategic Plan.

Legislative/Public Affairs

Identify key issues and be industry advocates; encourage and develop member involvement in the political process.

RPAC

Spread the word about RPAC and increase contributions and contributors.

Housing Opportunities

To expand members and the public's knowledge on the opportunities and advantages of homeownership.

Education

Provide personal and professional development.

REALTOR Issues (Best Practices/Risk Reduction

Identify different business issues and how to work with them. Identify and educate members on issues that affect real estate.

Forms & Contracts

Review real estate forms & contracts that are consistent with law and uniform in nature.

Technology

Review and educate members on real estate technology and products/tools used.

Green

To encourage real estate professionals to be advocates in spreading the green philosophy to its members and the public

Membership

Promote the value of the BNAR to members and encourage member involvement in the association. Identify and review products, services and discounts available to BNAR members..

Agents' Day

Participate in the planning of the Agents' Day & Trade Show

Professional Standards

Grievance

Note: Limited number and diversified companies on committee. Members chosen to be on these committees are required to take the NYSAR Professional Standards Training Seminar.

Young Professionals Network

Help real estate professionals excel in their careers by giving them the tools and encouragement to become involved.
