

COMMITTEE SIGN UP FORM FOR 2026

Do you want to be involved in the decisions that affect your business and livelihood? Would you like to participate in planning activities? Then join a BNAR committee. Select the area where you have interest in participation. Each committee/task force/project has a planned set of objectives to work toward and can be found in the BNAR Strategic Plan.

[] Government Affairs - Doreen Fahey

Identify key issues and be industry advocates; encourage and develop member involvement in the political process, real property affordability and homeownership rights.

[] RPAC - Doreen Fahey

Spread the word about the value of RPAC and increase contributions and contributors.

[] Best Practices - Danielle Melchiorre

Identify different business issues affecting the industry. Identify and educate members on issues that affect real estate.

[] Forms & Contracts - Danielle Melchiorre

When necessary, review real estate forms & contracts that are consistent with law and uniform in nature.

[] Technology - Scott Havernnick Jr.

Review and educate members on real estate technology and products/tools used.

[] Agents Day - Doreen Fahey

Participate in the planning of our annual networking event

[] Community Engagement - Doreen Fahey

To foster a relationship with the surrounding community through charitable work and contributions

[] Education - Doreen Fahey

Provide personal and professional development.

[] Professional Standards [] Grievance

Note: Limited number and diversified companies on committee. Members chosen to be on these committees are required to take the NYSAR Professional Standards Training.

[] DEI Committee - Doreen Fahey

The DEI Committee aims to foster alliances with real estate professionals and organizations that represent diverse cultural groups and communities. Through educational programs, community outreach, and advocacy, we seek to create opportunities for all members to engage, ensuring equitable representation and involvement across all demographic groups within the real estate industry.

[] Global Business - Chloe Cozzarin

Expanding members' reach and influence on a global scale, fostering international business opportunities, promoting cross-border real estate transactions, and educating members on global market trends, practices and regulations.
