

The Evan Wood Fund

BENEFITING JOHN R. OISHEI CHILDREN'S HOSPITAL

FOR the Families of the Kids with All the Courage

The Evan Wood Fund, formerly the Eric Wood Fund, is a critically important resource for the patients and families at Oishei Children's Hospital. Funds raised have an immediate, positive impact on the comfort and care of chronically ill children and their families. We are proud to partner with Eric Wood to enhance vital services provided through the Family Resource Center, Child Life and Stone's Buddies Program. Eric knows firsthand the importance of children's hospitals and the heavy burden carried by a family who must face the serious health issues of a child which is why he chose to name his fund after his brother Evan.
